2003 GENERAL SESSION

STATE OF UTAH

Sponsor: Peter C. Knudson

This act amends the Insurance Code. The act amends provisions related to health care provider claims practices. The act amends the definition of provider to include a health care facility to whom an insurer has an indirect obligation to pay. The act amends the period of time in which an insurer may recover an amount improperly paid to a provider. The act limits the ability of an insurer to recoup improperly paid claims from future claim payments. This act makes technical amendments to the calculations of penalties for failure to timely pay a claim.

This act affects sections of Utah Code Annotated 1953 as follows:

(5) Notwithstanding Subsection (4), the time to investigate a claim may be extended beyond the initial 30-day period and the extended 30-day period if:

(ii) A follow-up request for additional necessary information shall state with specificity:

- (A) the reason why the previous response was insufficient;
